9/19/24

Montana Contracting
173 N Route 9W, Congers NY 10920
Ines MacAdam

Project Name: 5 Heidi Lane

Bid Package: Interior Doors
Manufacturer: Upstate Door

Bid Package Details:

- Quote #1030831 is based on the Architectural Plans dated 9/3/2025. All door sizes have been revised from previous quotes to match either the schedule and/or the floor plans for *door opening* sizes
- All doors are solid core, poplar.
- Primed finish, ready to paint.
- Jambs included, knocked down, to be installed in field.
- Includes machining for hinges (3 per slab for swing doors), standard bore at 36" and full lip strike prep. Hardware TBD.
- Closet doors include magnetic catch
- Pocket doors include 1” added to top rail and 1” added to one stile. Includes machining for edge pull only. Can add for sliding hardware if needed.
- Jambs quoted as 4-13/16” based on 2x4 framing with 5/8” sheetrock on both sides. Will need to confirm jamb condition for every door.
- Jams are quoted as double rabbeted to match the details. Can potentially save $ if moving to a flat jamb with applied stop.
- Includes custom jamb detail for pocket doors as shown on detail 3/A-710.00
- Type A is quoted as a shaker style, flat panel (1/2") with dado sticking
- Type D Door does not include strike prep, quoted with a shiplap meeting design
- Door 100 is called out as an entry door on the schedule but shows as a closet door on the floor plans. Floor plans are assumed accurate, this was quoted as an interior door
- Door 106 - called out as Type E on the schedule but shows as a single door on the floor plans, quoted as Type A, single LH
- Door 110 - called out as Type C in the schedule, quoted as Type A - RH based on the floor plans
- Door 111 - called out as Type C in the schedule, quoted as Type A - LH based on the floor plans

**Purchaser is responsible for receiving material delivery, including but not limited to; delivery date and site coordination, material handling, storage, heavy equipment rental/operation, road closures, etc.*
**Each material delivery must be received in one (1) business day so container can return to distributer.*
*Millbrook Cabinetry & Design may be willing to receive material delivery at an additional charge of $5,000.00 per delivery

Subtotal:	$37,200.60
Tax:	$3,022.55
Total:	$40,223.15

Lead Time: Within 10 weeks *from finalized order*.
Lead Time is production lead time. Please add 5 business days for delivery.
Delivery: Included to tailgate of truck for distribution by others.
Changes: Minimum of $500 or 5% (whichever is higher)
charge for changes after order is processed.
A quote from Upstate Door does not constitute acceptance of an order.

**All errors are subject to correction; estimate is valid for 7 days.
**Customer is responsible for verifying all information is correct before order is approved.
**All orders are produced in accordance with Upstate's approved paperwork.
**Any changes to specs, door list or delivery address, must be noted on Upstate paperwork prior to sign off.
**Any claims for damaged or missing items must be submitted to Upstate within 5 days of delivery.
**Please see www.upstatedoor.com for complete warranty information.
**Due to the unprecedented volitivity of lumber costs, Upstate door can only hold pricing on quotes for 7 days. If quote goes to order after 7 days, Upstate reserves the right to adjust pricing according to the current market prices for that day.
**Customer agrees to pay for product when complete and current moving/storage fees (after end lead time date) if they decline accepting delivery when done.

Quote Notes:

UPSTATE DOOR®

FINE DOOR SOLUTIONS... ONE SOURCE

About Upstate Door

Upstate Door specializes in unique, one-of-a-kind fine door solutions. We are a hardwood door company that creates custom exterior, interior, and screen/storm doors. We build high-quality, hand-crafted doors that will last for years to come. Upstate Door works with you to build fine door solutions that are unique in every way. Built to your design specifications, our doors allow you to create a seamless flow of design throughout a home.

What Makes Us Different

Company Differentiators		Upstate Door		Other Wood Door Suppliers
Customization	✓	Can customize any aspect of the door	✗	Not always available
Ways to Communicate	✓	We will communicate face-to-face, over the phone, live chat, email, or virtually to assist any and all customer needs	✗	Difficult to access someone quickly and easily
Deliver on Own Trucks	✓	Deliver on our own fleet, reducing the risk of damage or shipping error. We also offer upgraded packaging options.	✗	Does not deliver on their own trucks or offer upgraded packaging options
Samples and High Quality Drawings	✓	We offer samples and high level drawings as part of the design process	✗	Samples typically not available, and low level drawings are received
Color & Grain Matching	✓	Lumber is hand selected and always matches color and grain	✗	Color and grain are inconsistent and do not match
Finishing Options	✓	Factory finishing is available. Split finishing can be done on the front vs. back, jambs can be finished differently than the door	✗	Factory finishing is unavailable
Mill and Hang Our Own Jambs	✓	Jambs are custom made from the same wood the door is made from	✗	Prefabricated, low quality jambs
Service Solutions	✓	Offering collaborative solutions before, during, and after the sale of a door package	✗	Difficult to access someone quickly and get knowledgeable answers & solutions

Lead Time: Within 10 weeks *from finalized order*.
Lead Time is production lead time. Please add 5 business days for delivery.
Delivery: Included to tailgate of truck for distribution by others.
Changes: Minimum of $500 or 5% (whichever is higher)
charge for changes after order is processed.
A quote from Upstate Door does not constitute acceptance of an order.

Subtotal:	$37,200.60
Tax:	$3,022.55
Total:	$40,223.15

**All errors are subject to correction; estimate is valid for 7 days.
**Customer is responsible for verifying all information is correct before order is approved.
**All orders are produced in accordance with Upstate's approved paperwork.
**Any changes to specs, door list or delivery address, must be noted on Upstate paperwork prior to sign off.
**Any claims for damaged or missing items must be submitted to Upstate within 5 days of delivery.
**Please see www.upstatedoor.com for complete warranty information.
**Due to the unprecedented volitivity of lumber costs, Upstate door can only hold pricing on quotes for 7 days. If quote goes to order after 7 days, Upstate reserves the right to adjust pricing according to the current market prices for that day.
**Customer agrees to pay for product when complete and current moving/storage fees (after end lead time date) if they decline accepting delivery when done.

Quote Notes:

** Anything not specified, such as casing, locksets, or bores, are not included
** DO indicates "Doors Only" - NO machining, NO Hardware.
** Additional charges may apply upon arrival and inspection of customer supplied components (hinges, glass, etc.) at Upstate's facility. If components or specs are not received by Upstate, lead time will be delayed.
** There will be natural variations in wood color and grain that show when the finish is applied because different pieces of wood accept finish differently. Generally, veneer will finish different than solid lumber stock. This is viewed as part of the natural beauties of wood.
** Standard hinge layout is: 7" from top, 10 1/2" from bottom, middle hinge(s) evenly spaced between top and bottom hinges.
** Exterior units must have an overhang/awning above that extends 1/2 the distance of the entry height. Please see our warranty or ask your customer service representative for more information.
** Units must be finished or sealed within 1 week from delivery of the product. Please see our warranty or ask your customer service representative for more information.
** Upstate will follow the hinge manufacturer's stated and/or measured swag when machining for hinges to maintain proper reveals. This may cause hinges to be proud of jamb/door.
** Upstate Door reserves the right to apply Primed Steel hinges to units if hinges spec'd have yet to arrive to our facility. This is attributed to our vendor having longer lead times than our lead times stated to our customers. Should this occasion arise, back charges from our customer are null and void for the cost to remove the primed hinges and the installation of the proper hinges that are on back order.
** Upstate Door is not liable for any backordered hardware, glass, and/or wood parts that are supplied by another vendor. We reserve the right to ship our products without if it can be installed in the field or hold shipment if needed.
** Glass Note: All tempered glass is shipped with our glass vendors logo.
** In paint grade applications, composite materials may be utilized for wood substitutes at manufacturer discretion.
** At manufacturer's discretion, adjustable sills may be spliced at mull pockets.
** Checks in white oak are considered common characteristic of this species of wood and are not considered defects.
** Groove detail on centers are based on the door opening- the groove(s) closest to edge of door may vary up to ¼" based on door being downsized and beveled.
**Circular hanger marks will be visible on top and bottom edges of all prefinished slabs – this includes clear coat, stain and clear coat, value package, deluxe package and color deluxe package.

** Tempered Glass contains a small logo in the corner of the pane. This is standard from the manufacturer.
** Upstate Door may allow any surplus silicone to remain on the glass surface to prevent interference with the glass seal, which could result in water infiltration.
** Doors with NO DOWNSIZE OR BEVEL will be exact to spec'd door width, full and square (per door).

Warranty Disclaimer Form

Quote Number	1030831

I understand by signing that while Upstate Door provides a warranty on most of its products,Upstate Door is a custom door manufacturer and will build doors outside warranty tolerances. The doors listed below have been built to requested specs and are outside warranty tolerance. They will have no foreseeable warranty and if any defects in workmanship are noted at delivery, Upstate Door must be contacted within 30 days of delivery to dealer with **no exceptions**. Items not mentioned on this form do not necessarily mean that they are covered under warranty- please confirm with your Project Coordinator.

Door Numbers That Are Warranty Exempt & Specs That Exceed Warranty Tolerance

600-1: Unit dimensions do not fall within warranty. || Unit is not warrantied with current hinge quantity.

1000-1: Unit dimensions do not fall within warranty. || Unit is not warrantied with current hinge quantity.

1100-1: Unit dimensions do not fall within warranty.

All units (exterior or interior) that are White Oak will experience face checking and cracking over time. If the product is stained and clear coated by Upstate with Klima Red Mahogany, Klima Walnut, or Klima Ebony, the customer accepts that the face checking and cracking will break the finish and expose the lighter colored raw wood. Upstate cannot control the amount of face checking or cracking that happens once a product is finished and installed.
