Notes and Clarifications:

1. Pricing is for budgetary purposes only and is subject to revision pending final design, selections, and site conditions.
2. All work to be performed during standard working hours. Overtime is excluded.
3. Pricing is based on open shop labor.
4. Permits, municipal fees, and utility connection fees are excluded.
5. Surveying is excluded. Montana will coordinate stakeouts with the owner's surveyor.
6. Temporary heating is excluded. If required, will be billed time and material (T&M).
7. Concrete pricing assumes foundation wall heights per plans. Grade variations are not accounted for.
8. Winter concrete measures (additive, blankets, ground thaw) are excluded.
9. Excavation is based on footing depths per plan. If additional excavation is required to reach virgin soil, additional charges for machine time, labor, backfill, concrete, and waterproofing will apply.
10. Rock removal, unsuitable soil removal, and dewatering are all excluded.
11. Snow and ice removal is excluded.
12. Landscaping, irrigation, and fencing are excluded unless otherwise noted.
13. Low voltage systems (audio/visual, security, networking) are excluded.
14. Window treatments (blinds, shades, curtains) are excluded.
15. Gas/Propane service installation is excluded.
16. Well connection is assumed to be available and functional.
17. Electric service pricing is based on installation of one (1) 200 AMP service per home.
18. Professional post-construction cleaning is included.
19. Lunawood siding is priced as furnish and install only, in its natural thermally modified state. This material is designed to weather to a silvery-gray unless field-finished by others with UV-protective oil or stain. We recommend coordinating finish selections early if color retention is desired.
20. Level 5 finish is not included; to be provided only if selected as an alternate.
21. Desks in bedroom and office areas are excluded from scope.
22. We have included hat shelf & rod at all closet interiors.
23. Any additional structures beyond the main residence (e.g. sheds, pavilions, or accessory buildings) are excluded.

Alternates:

1. Provide level 5 finish throughout in lieu of level 4 @ Lot 1; $27,155.00
2. Provide level 5 finish throughout in lieu of level 4 @ Lot 2; $22,305.00
