**Additional Information:**

I understand that this order will be placed according to these specifications and is non-refundable.

All products are unfinished unless otherwise specified and should be finished as per the instructions provided by the manufacturer.

Images on this quote should be considered a representation of the product and may vary with respect to color, actual finish options and decorative glass privacy ratings. Please verify with sales associate before purchasing.

Unless otherwise noted, prices are subject to change without notice, and orders accepted subject to prices in effect at time of shipment. Prices in this catalog apply only to sizes and descriptions listed; any other specifications will be considered special and invoiced as such.

The level of exposure a door faces directly impacts its longevity and performance. To ensure durability, doors in high-exposure areas should be constructed from robust materials and properly sealed for enhanced protection and you may want to consider an overhang.
