Notes and Clarifications:

1. Pricing is valid for thirty (30) calendar days.
2. All work to be performed during normal working hours. Overtime is not included.
3. Pricing is based on using open shop labor.
4. Permits and fees are not included.
5. Surveying fees are not included. Montana will coordinate stakeouts.
6. Temporary heating is not included. If required, will be billed on time and material basis.
7. Winter additive, ground thawing and/or blankets for concrete is not included.
8. Temporary heat is not included.
9. Pricing for excavation is based on bottom of footing depths indicated on drawings. If additional excavation is required to reach virgin soil additional charges for machine time, labor, concrete, waterproofing and backfilling may be incurred.
10. Rock removal is not included.
11. Snow/ice removal is not included.
12. Dewatering is not included.
13. Removal of unsuitable soils is not included.
14. Landscaping is not included.
15. Foundation waterproofing is not included.
16. Architectural concrete finish is not included.
17. Pricing for underground electric is based on a 65' run from the existing structure. It is assumed that the existing service is adequate to support new building.
18. Pricing for steel is based on double 3/8" plates with 2-3/4" A325 thru-bolts. Full welding is not included.

Alternates:

1. Full welding of joints in lieu of thru-bolts as described above; $9,500.00
