MONTANA
CONTRACTING

A Custom Builder Creating Distinguished Homes

As you consider building a new home or renovating your current home, you are entering one of the most exciting times of your life. At Montana Contracting we will be there to help with the many decisions you will be making. The best floor plan, the right style, careful choice of materials and finishes, all brought together to create a home as distinct and unique as you are.

MONTANA
CONTRACTING

About Us

Montana Contracting Corp. is a full–service general contractor, construction manager and residential developer. With over 35 years of experience providing quality high-end residential and commercial renovations, Montana Contracting is equipped to handle simple improvements to full scale renovations including ground up projects. We offer our clients a wide variety of construction and building related services anchored by decades of proven success and reliability.

Letter from the President

From Montana's inception in 1984 our firm has grown from a family-owned and operated home builder to a diverse construction management firm building ground-up developments, corporate interiors and hospitality projects. Through our growth and success we have not forgotten the core values and ethics that Montana was founded on. At Montana Contracting, we recognize the challenges in today's marketplace and the expectations of our clientele. We believe in honesty and integrity, doing the right things for the right reasons, and treating people fairly. Each project is pursued with the sense of urgency, excellence and professionalism that our clients expect and deserve.

Core Values

Family First
“The homemaker has the ultimate career. All other careers exist for one purpose only – and that is to support the ultimate career.” - C.S. Lewis

Mutual Respect
"True greatness will be achieved through the abundant mind that works selflessly - with mutual respect, for mutual benefit.: - Steven Covey

Collaboration
"Individual commitment to a group effort — that is what makes a team work, a company work, a society work, a civilization work." - Vince Lombardi

Absolute Ownership
"Responsibility equals accountability equals ownership. And a sense of ownership is the most powerful weapon a team or organization can have." - Pat Summitt

Attitude
"Your living is determined not so much by what life brings to you as by the attitude you bring to life; not so much by what happens to you as by the way your mind looks at what happens." - Khalil Gibran

Montana Home Builders
173 North Rt. 9W
Congers, NY, 10920
(845) 398-1778

Notes and Clarifications:

1. Pricing is valid for thirty (30) calendar days.
2. All work to be performed during normal working hours. Overtime is not included.
3. Pricing is based on using open shop labor.
4. Permits and fees are not included.
5. Surveying fees are not included. Montana will coordinate stakeouts.
6. Temporary heating is not included. If required, will be billed on time and material basis.
7. Winter additive, ground thawing and/or blankets for concrete is not included.
8. Temporary heat is not included.
9. Pricing for excavation is based on bottom of footing depths indicated on drawings. If additional excavation is required to reach virgin soil additional charges for machine time, labor, concrete, waterproofing and backfilling may be incurred.
10. Rock removal is not included.
11. Snow/ice removal is not included.
12. Dewatering is not included.
13. Removal of unsuitable soils is not included.
14. Landscaping, including topsoil and seeding, is not included.
15. Tree and stump removal of 8 trees is included as shown in the plot plan.
16. Window treatments are not included.
17. Pricing for well is based on being 100' from the house with a maximum depth of 400'. An additional cost of $20 will be billed for each additional foot thereafter.
18. Pricing for well casing is based on a maximum depth of 20' . An additional cost of $36 will be billed for each additional foot thereafter.
19. Pricing for underground electric is based on a 100' max run.
20. Pricing for septic is based on an above-ground system no further than 100'.
21. Concrete pumps are not included.
22. We have included a full system from Warmboard for the radiant heating system on the first floor in lieu of Heatply.
23. We have included painting and touch of exterior trim and painting the columns @ the front porch. Siding is to be factory finished Deep Ocean.
24. We have included two Velux VSC04 fixed skylights.
25. The wood stairs will be red oak treads with painted stringers & risers. The railing will be painted balusters with red oak posts & rail.
26. Decking is included as Trex Transcend Series in standard colors.
27. The garage doors we included are Haas Traditional Series 10'x9' Model 9600.
28. Window pricing is approximate based on Anderson 400 Series pending full specification.
29. We have included 200 amp electrical service and panel.
30. We have included a wall-hung hot water heater and a separate boiler for the radiant heating system.
31. Recessed lighting fixtures will be supplied and installed by us, but all decorative fixtures and ceiling fans are priced as install only.
32. Pricing for the driveway and path pavers is based on dry laid on a gravel base.
33. The chain link fence shown on the plot plan is assumed existing and is not included.
34. The deck height from the ground appears to not require railings. If they are required or desired there will be additional costs.
35. The HVAC price is budgetary and includes the Warmboard system, 2 condensers and 2 split units including hyper heat, an electric forced air heater for the attic, and radiant heating @ the garage slab.
36. Well pricing is based on re-using the existing well. Testing of the existing well is not included.
37. A 2" rat slab is included in the crawl space. If rigid is required below the slab or a full thickness slab is warranted there will be an adjustment to the price.

Allowances:

1. $30,000.00 for septic system and piping based on a 125' Max run.
2. $7 per square foot for tile throughout, $5 per square foot @ mechanical room, and $9 per square foot @ Master Bath.
3. $1,200 for master bath accessories.
4. $700 for guest bath & powder room accessories each room.
5. $15,000 Fireplace insert, chimney liner & cap.
6. $10,700 for supplying appliances. Including washer, dryer, range, dishwasher, vent hood insert, and refrigerator.
7. $60 per square foot material allowance is included for countertops assuming a full slab does not need to be purchased.
8. $13,500 for plumbing fixture supply.
