Please review the following terms and conditions carefully

1.We offer a 1-year guarantee on workmanship from the completion date.
2.Perfection Paving is not responsible for oil leaks, tire marks, gas leaks, sinkholes, ground erosion, cracks, weather damage, or any other “Acts of God.”
3.Asphalt may take up to one year to fully cure. For best results, we recommend applying a sealer within six months to maintain driveway integrity. All sealer work must be quoted and performed through our office to remain under warranty, and any work done by another company will void the warranty. **Initials** _____
4.Unforeseen site conditions may result in additional charges, which will be discussed before proceeding.
5.Any changes to the agreed-upon work must be requested in writing and may incur extra costs.
6.Weather conditions may impact project timelines, and delays are not grounds for cancellation.
7.Unless specified, the client is responsible for obtaining necessary permits before work begins.
