Proposal/Contract

TERMS OF SALE

No representations, agreements, or warranties, expressed or implied, shall be binding on either customer or seller unless written or printed in this order.
This and all orders are subject to the approval of L & J Awnings & Shade Structures Inc. dba L & J Signs hereafter the seller.

CANCELLATION DISCLAIMER: Cancellation of this order by the buyer is permissible only if the seller agrees to the cancellation. If it is approved any material or labor investment to earn or produce the Project buy the seller is to be paid by the buyer.

Modifications to this order must be approved by the seller. If approved the Modification must be in writing. The modification can change the cost of the contract. The buyer is responsible for payment of any work done to their order prior to the Modification if the Modification causes a loss of labor and or material that cannot be used in the order after the Modification.

Regarding all jobs that require a permit, the allotted completion time will not begin until the required permit is approved by the Building Department. If The building department does not approve the project to be done as proposed, the buyer is allowed only to have a change in Sign or Awning type of equal value without an agreed in writing Modification.

All L & J Awnings & Shade Structures Inc. dba L & J Signs products are unconditionally guaranteed as to quality and workmanship at the time of delivery.

INSTALLATION DISCLAIMER: Your installation price is based on either information available at the time of your sales consultation or provided by you the client and we are assuming a) We will have access to the back side of the installation survey and/or b) the mounting surface can support the proposed sign or awning structure without reinforcement. On our pre-installation survey it may be determined that modifications are needed for the installation such as an access hatch being installed or wall blocking to support our structure. These costs are the client's responsibility and are not included in this proposal. Client can choose to have their own contractor provide or contract with L & J to perform the additional work at additional cost.

EXCAVATION/FOOTING DISCLAIMER: When excavation or footer digging is a part of your proposed scope and we find any obstructions underground that impede or obstruct our ability to excavate or dig the footers as originally estimated, then additional charges will apply and be added to your final invoice upon completion.

ELECTRICAL DISCLAIMER: Florida Building Code requires a dedicated electrical circuit (120Volts 20Amp) within 5ft of Sign Location. It is customer's responsibility to ensure that the dedicated line is created for L&J Signs before sign is to be installed. L&J Signs is not responsible for providing primary electrical service to sign. If the sign circuit has not been set up properly prior to date of install and L&J Signs incurs any costs related to re-inspection fees, permit extensions, and/or any other labor or material costs as a result of the sign circuit not being set up or improperly set up, customer is responsible for paying those costs. IF YOUR POWER TO THE SIGN IS NOT IN PLACE THE DAY WE COMPLETE YOUR INSTALL THERE will be an additional Charge to come back and make the final connection to the sign of $400. If we have to only Post the permit at later date because the electric was not complete there will be a $175 charge.

WARRANTY: Our projects come with a 1 Year Limited Manufacturer Warranty on In-Shop Fabrication and Install Parts and Labor unless otherwise notated in contract. Vandalism, Accidents, Storm Damage or Acts of God are not covered by Warranty. We are not responsible for shrubbery or landscaping that is damaged, uprooted or displaced during installation of your project.

PROJECTS REQUIRING ENGINEERING: When a custom sign or shade project requires engineering, the price quoted is preliminary in nature and is subject to change upon final engineering. Typically, engineering analysis will either confirm or change the specifications preliminary estimated and so is subject to change upon final analysis and approval from licensed engineer. As a result, additional charges will apply if specifications have changed in any way beyond what was estimated and sold within our proposed contract and accepted and executed by you the client.

Dimensional errors in fabrications by L & J Awnings & Shade Structures Inc. dba L & J Signs personnel will be corrected as soon as practicable.
Dimensional errors directly related to changes in the mounting surface after the original measurements were made will be corrected at the buyer's expense. L & J Awnings & Shade Structures Inc. dba L & J Signs will correct subsequent discovery of defects as to either quality of materials or workmanship within one year of the delivery date, at our option, through alterations and / or repair.

The seller is not liable for tardy deliveries resulting from circumstances beyond his control including, but not limited to, fires, strikes, acts of God, etc. The seller is not liable for failure of suppliers to make timely deliveries of raw materials, which are necessary to fill this order where the seller has exercised ordinary and reasonable care in ordering such materials. If Materials cost increase above 5% of what the materials cost at the date of providing the proposal the portion of the Materials cost could increase the Proposal/Contract.

The amount of this order is due and payable at the offices of L & J Awnings & Shade Structures Inc. dba L & J Signs within the specified terms following the completion of the work, or as may be specified on the invoice and/or statement.
Delinquent accounts will be subject to an interest charge of 2% per month.
The buyer agrees to pay all costs and expenses reasonably incurred by the seller in collection of delinquent accounts including attorney's fees.

PAYMENT UPON COMPLETION
