Notes and Clarifications:

1. Pricing is valid for thirty (30) calendar days.
2. All work to be performed during normal working hours. Overtime is not included.
3. Pricing is based on using open shop labor.
4. Permits and fees are not included.
5. Surveying fees are not included. Montana will coordinate stakeouts.
6. Temporary heating is not included. If required, will be billed on time and material basis.
7. Winter additive, ground thawing and/or blankets for concrete is not included.
8. Temporary heat is not included.
9. Pricing for excavation is based on bottom of footing depths indicated on drawings. If additional excavation is required to reach virgin soil additional charges for machine time, labor, concrete, waterproofing and backfilling may be incurred.
10. Rock removal is not included.
11. Snow/ice removal is not included.
12. Dewatering is not included.
13. Removal of unsuitable soils is not included.
14. Landscaping, including topsoil and seeding, is not included.
15. Tree and stump removal is not included.
16. Window treatments are not included.
17. Millwork is budgetary and includes install in the line item.
18. It is assumed that kitchen millwork and appliances are existing to remain.
19. The primary suite extension and the front porch extension will have continuous concrete footings with 10" CMU block frost walls and a slab on grade.
20. Waterproofing of the new or existing foundation is not included.
21. The roof price only includes new roof on new areas and tie ins to existing. This may be unachievable and there may be additional cost if the entire roof needs to be replaced.
22. Existing windows & exterior doors to remain in living room, bar, & breakfast nook.
23. Existing finishes to remain and repairs made where necessary in the living room, bar, breakfast nook, family room, & kitchen.
24. Basement stairs to remain.
25. Repair work in the basement as a result of the renovation is excluded pending verification of the extent of repairs required.
26. New footings and structural modifications to achieve the new layout of the first floor are excluded pending investigation.
27. We have included full height tile in areas adjacent to showers and drop in tub. All other walls in bathrooms to receive tile wainscot 4 feet up the wall.
28. A new stackable washer and dryer is included. Not sure if this is needed being that it states in the plans to salvage the existing washer and dryer.
29. HVAC scope is budgetary pending final shop drawings and approvals. Additional equipment is not included and it is assumed that the existing system has the capacity to be expanded for the extension.
30. Lighting fixtures are not included. The electric budget is for wiring new lights, switches, & outlets in the renovated portion of the first floor and the extension.
31. If a sub panel or additional electrical service is required there will be additional costs.
32. Closet interiors are by owners vendor and are not included.
