EXCLUSIONS & QUALIFICATIONS SPECIFIC TO THIS BID:

GENERAL CONDITIONS:

Mark & Son Metal Products, Inc. will not be held responsible for discrepencies, omissions, and/or lack of coordination between the architectural and structural drawings and specifications. Where discrepencies exist the STRUCTURAL DRAWINGS WILL CONTROL. Terms used to describe material on the drawings will be taken as "standard in the structural steel industry" unless specifically detailed information is provided. Upon award of the job referenced above this bid form (pages 1 and 2) is amended to any contract drawn between any and all parties, and Mark & Son Metal Products, as addendum MS-1.
Due to Steel Mill price increases and the volatility of the market for raw materials
This bid is valid for 20 days from the date below and subject to change thereafter.
Thank you for the opportunity to bid this job, we hope to be of service to you. If we can be of further assistance, please call.

Very Truly Yours,

Henry Marfe
