Header Information

Please note that material take-offs are provided as a courtesy and are based on the dimensions provided. It is your responsibility to verify the measurements and material quantities prior to placing your order. Extrutech Plastics, Inc. cannot be held responsible for material shortages once quote/order has been accepted.

Purchase Order No: KK25-32.0
Terms of Delivery: FOB FOR BIDDING PURPOSE ONLY

** Thank you for the opportunity to quote these materials. Please be advised this is only a quote, and not an official order, until signed and approved by customer. Please verify all dimensions prior to placing your order.

**** THE FREIGHT ESTIMATE NUMBER IS VALID FOR TODAY. SINCE THE FREIGHT COSTS ARE INCREASING DAILY, ANY FUEL SURCHARGE WILL BE ADDED TO THIS ESTIMATE THE DAY YOUR ORDER SHIPS.**

** Prices are subject to change without notice.

** Freight Charges are responsibility of the customer.

** Please note that if you ordered panels that are longer than 16 feet long, you will want two fork lifts on site to safely unload the pallet. The alternative is to unload the pallet by hand.

** All Exterior grade P1300, P1600, P2400 and P3000 panels meet ASTM E84 Class A fire rating.

** All Extrutech panels and trims are quoted white, unless specified on quote.

** Extrutech DOORS are NOT fire rated

(All Colored Panels, except for Grey & Beige, are for INTERIOR USE ONLY and should not be subjected to, or stored in, direct sunlight - doing so will void warranty)

Sales Quotation

20043141

F.O.B Manitowoc, WI 54220

Extrutech Plastics, Inc. does not recommend to the consumer to paint maintenance free door. By painting the door, it voids the door warranty.

*Any changes or revision will delay production and / or shipment of order.

***METHOD OF PAYMENT FOR THIS ORDER:**

(Please indicate method of payment by checking the appropriate box).

N30 Terms [ ] (Upon submittal and approval of credit application).

EPI products are custom made to your job specification. We require a deposit of 20% on your initial order once N30 credit terms are approved by management. All orders ove $20,000.00 will require a 30% deposit prior to production. Orders without N30 credit approval, must be paid in full prior to production.

Credit Card [ ] (Complete credit card authorization form **required**).

Fax Check [ ] (Complete fax check form and copy of check **required**).

Check by Mail [ ]

*I accept this quote and wish to make this a purchase order.

By signing this quotation, you accept all lengths and quantities of material shown. Changing your order AFTER we receive your signed Sales Quotation will result in production and shipping delays, along with additional charges up to 30% of the order.

Extrutech is not responsible for product installation. Please follow manufacturers guidelines.

*We exclude and will not pay any consequential or incidental damage, loss or expense other than to the panels themselves. Our warranty covers the replacement cost of panels only (labor and shipping not included).
